Develop Minds. Build Faith. Be Disciples

It takes a community to prepare students well! What we do at BMS is made possible by so many people - both within and outside of our walls. We strive to provide a nurturing, relevant, and challenging Christian education to our learners, and to do so effectively, we are always exploring new products and possibilities.

This is certainly a team effort, and all players are crucial in achieving the goals at hand! Thank you for your part in strengthening what God is doing at BMS. Financial support is a real blessing, and our partnership with people like you means so much. Thank you!

Mr. Nicholas Wilson
